- Taking consumer technology techniques, ZNGLY is an enterprise Grade B2B 'Pinterest' meets your own branded white-labelled 'Netflix'
- Powered with AI 'Search & Synopsis' for the new era of mass content creation. Delivering huge efficiency gains in Marketing, Sales, Training and Operations

# Sales: More Scale & Impact

Send personalised, curated packages of content to your leads. Include a video message for that personal touch, all over standard corporate eMail.

## One **Catalog** for all your content to share

Pick content from your catalog – PDFs, factsheets, and videos. Share to leads with no attachments or firewalls frustrations.

---

**Deeper engagement.**  
**Existing leads.**  
**New connections.**  
**Made real.**

---

## Deep **analytics** on prospect & **opportunity engagement**

Track deep analytics on buyer behaviour and interactions – on both an individual 'lead' and a 'group' opportunity.

- **Manage complex sales cycles** through the funnel
- **Create a video message** for that personal touch
- **Goodbye file attachments.** All content can be sent via a smart link at the click of a button
- **Real-time engagement** by individual leads, campaigns or assets

# Marketing: Bring Campaigns to Life

Bring campaigns to market quicker, get more leads & rich analytics. Manage video, podcasts, webinars, PDFs and more in one place. Fully integrated with LinkedIn, Newsletters and more.

## An **AI-enabled** no-code extension to your **website**

A world class resource centre branded your way and live in minutes. Bring campaigns to life with a catalog of your content from around the web.

**More insights.**  
**Faster campaigns.**  
**Greater value.**  
**Made possible.**

## Bring **campaigns to market quicker** with **in-depth insights**

# Events: Maximise Your ROI

Events - transforming the delegate lead game goes beyond just scanning badges. Get more value from the event - before, during, and after. Compliment physical booths with digital knowledge hubs.

## Event Owners, do more and sell more - quicker

For Event Owners:  
Tools that shorten your Exhibitor / Sponsor sales cycle by 25%, manage your sales more efficiently and effectively. Provide exhibitors with the best platform for UX and customer engagement.

## Capture leads. Extend event presence. Increase ROI.

## For Exhibitors, lead generation direct to your CRM

For Exhibitors:  
Get more qualified prospect generation directly into your CRM, with automatic lead follow-up. All in a cloud-delivered, secure and scalable platform, branded for you.

- **The best possible visitor experience**  
Not a mobile app - cloud delivered and branded, secure and scalable - delivering powerful UX and customer engagement
- **Get more value from the event - before, during, and after '365 touchpoint'** - stretch the conversation, a live content 'knowledge hub' compliments physical booths
- **Deep analytics and data on delegate journeys and engagement**, integrated with your CRM platform, in real-time

# Analytics: Insights You Can Trust

ZNGLY's analytics gives you more data and insights than HubSpot or Salesforce provide. Track every click, view and download, with easy to use filtering and CSV creation. You're in control.

## Powerful dashboards: Google BigQuery, Looker Studio

Easy to use reports that can handle huge amounts of data in real-time, giving you the tools and insights that your CRM can't provide. Measure buyer intent and interactions with intuitive analytics dashboards.

---

**Capture leads.**  
**Follow-up on them.**  
**1st Party Lead Tracking.**

---

## Track all media interactions, sources & timestamps

All media types are supported, you will never miss a click. Know how your LinkedIn traffic compares with Direct, and what's been viewed by who. Identify opportunities, create reports, and gain insights.

- Fully integrated with CRM contacts and details. Two-way integration with HubSpot and Salesforce with contact details alongside media engagement, measure buyer intent and interactions
- Track 1st party details, campaigns and engagement. Track deep analytics on buyer behaviour and interactions – on both an individual 'lead' and 'group' opportunities
- No tech. No designers. You're in control. Easy to use filtering, searching and CSV file creation puts you in control
